3. Initial Settlement Support Services

To help you adjust smoothly to life in Korea, the university provides the following support services.

You may select only the services you need.

(1) Available Services (Select Individually)

- Bedding and household essentials purchase

Please note that bedding (blanket, pillow, and bed sheets) is not provided by the university dormitory.

- Korean U-SIM / e-SIM application

While many SIM cards are available through overseas online vendors, students should be aware that using unverified providers may expose their personal information to security risks and increase the risk of online fraud or identity theft.

- Korean bank account opening

(2) How to Apply

(Detailed instructions will be sent individually by email.)

- Information: A dedicated application link for Kangwon National University Samcheok Campus students will be sent to your personal email.
- Application Process: Access the link → Select only the services you need → Make the payment.
